*I miss you Soo much Lexi. You were my best friend and I wish this never happened to you. The day I heard the news in class my heart sank and all I could do was cry and think about you. I would do anything to just see you again and at least talk to you one more time before you left us. You were so sweet, kind hearted, generous, and loved by many including me. Bye, I will miss you for the rest of my life.* 🥹🥹🥹🥹🥹🥹🥹🥹🥹🥹

“ *Gone way too soon sweet girl! Always so positive and optimistic Alexis was not like your typical 11 year old she was so full of light and never let anything slow her down. I am so honored that I got to watch her grow into a amazing young lady and am broken to write this but she deserves the best because she's the best Aunt Jackie loves you sugar*
