“ I met her for the first time when she hosted the bridal shower for my niece-in-law, Alexandra. She was a tremendous cook and so hospitable. She was great fun to talk to and had many funny stories to share. I only got to meet her a couple of times, but she made a big impression on me as someone with a big heart who truly loved people and taking care of them. Blessings to the family. May your many good memories bring you comfort.
