“ Ferman Perry was dear friend to us, he was James supervisor at the Juvenile Detention Center, they worked together at the VA and both retired around the same time from the VA. We fished together, laughed, shared meals and always had long talks after work.

Ferman had a beautiful soul, he was well known by everyone in Gainesville old and young and no matter where you saw him he always had a smile on his face and loved to talk. His death a shock to us but Ferman Perry you will never be forgotten. You now have a that brand new boat so catch all the fish you can catch.

Gale you have our deepest sympathy and condolences. Prayers for you and the Perry Family. We love you and we won't forget you.
