

## Heidi Lee Wilson

May 24, 1977 - October 31, 2020

Heidi Lee Wilson, 43, of Melrose, FL, passed away Saturday, October 31st, 2020 following an extensive battle with breast cancer.

Heidi was born May 24th, 1977 in Auburn, NY. She is survived by her husband of 24 years, Kevin, two children, Jessica and Emily, parents Terrence Tarby (Ann Marie Hawes) and Anne Reynolds (Steve), siblings Allison (Tony) O'Malley, Gary (Lydia) Dzikoski, and Jena (Jonah) Arthur, and Steven Reynolds, along with numerous nieces and nephews and other extended family.

She was loved by all who met her, and is remembered for her kindness and generosity. She was a local business owner, held a Master's degree, and could accomplish anything she set her mind to. Though her achievements and involvements are many, she would never allow the focus to be on her. She instead devoted her life to her family and to improving the lives of those around her. Though the world will suffer in her absence, we are all better for her contributions during her lifetime.

A Celebration of Life will be held Saturday, November 21, 2020 at 1:00PM at Archer Church of the Nazarene, 13327 SW State Road 45 Archer, FL with Pastor Richard Norman officiating. In lieu of flowers please make memorial contributions in Heidi's memory to the Breast Cancer Research Foundation 28 W 44th Street, Suite 609, NY, NY 10036. “ I was so saddened to hear the news that Heidi was no longer with us on this earth. She and her family have always been some of my favorite people to come through Melrose Elementary, and I will always remember her smiling face and her calm peaceful demeanor. She reached out to me many times to help out in the library, and even took my paper cutter (probably from the 50s!) home so that Kevin could sharpen the blade. Her girls Jessica and Emily will always be the kind of kids who stand out and who you will never forget as a teacher. My heart goes out to her precious family, and I am so sorry that you all have had to go through this. Heidi always stood strong, even during her worst days, and I respect her so much for that. I will miss running into her at the Christmas parade and around town. I love you guys, and praying you find some peace and comfort in your memories and in the kind of person that your mom and wife was. Rest in peace, my dear friend.

“ I will remember Heidi in so many positive ways - her infectious smile, her great sense of humor, and her generous soul. Hopefully her family will be able to take comfort in knowing she will be missed by so many. Rest in peace, Lisa B.

“ So many memories! As much sadness as your journey to heaven brings me i am also so greatful to have had you as my sister. You always put everybody first before yourself. No matter what pain you were feeling you kept it to yourself and suffered in silence. I only wish i had many more years with you here. You truly had a beautiful soul. I miss you more than i can even say. I pick up the phone to call you but i cant. I start to text you but i cant. But the pain im experiencing is nothing compared to what you endured. I hope heaven is as beautiful as we all imagine. I hope you are at peace and relaxing up there, kicked back with your feet up, you deserve eternal happiness. Dont worry about your family. Ill always look after them. I love you heidi hooooo!!!! Until we meet again...

“ Soo many great memories this girl absolutely stole my heart and as she left on her journey through the heavens she takes a piece of me with her. All the great times at the restaurant in Newberry. Just being around someone so lovely inside and out is truly an amazing feeling and no matter the outcome of us I was blessed with her love and nothing can ever take that away from me. I hold every moment close to my heart. Just the thought of her will always make my heart smile. She didn't have to be such a great person but, she chose to let her light shine on each and every soul she made contact with. I could go on and on all the way from how everyone else looked at her at NHS to the special times I had just her and I.  
I would also like to give my condolences to the family which I love like family myself. Keep your head up and remember that loving smile she had that was just Soo contagious. I love you all  
Always loving her  
G.J.

“ Heidi is my niece. She was a wonderful and gracious woman. Always thinking of others.  
When the virus came out even though she was sick she made me 2 masks I will keep them forever. I remember when she was little. She would stuff her cheeks with food like a squirrel. I think she just wanted to get away from table and play. She is now in heaven without pain. Unfortunately our pain is just starting. Comfort the Wilson family Lord at this time.
