“ I just heard of Joan's passing. I knew Joan as a member of the Trinity United Methodist Church choir. I was the director of the choir for 6 years and she was a very faithful member. She had a very beautiful voice and smile and contributed much to the music ministry of the church. Occasionally she would bring some of her paintings to show me. I enjoyed hearing her talk about the inspiration of her work and the time she spend creating the art.

I have been out of town for 13 years so really lost track of her. But I will always remember her as a caring a faithful person.

I extend my sympathy to her family and friends

I'm glad to know that she is resting peacefully with Bunny and Doug. They were great friends.

“ Very sorry to learn of Joan's death through Chancel Choir of Trinity U. M. Church. Although I no longer live in Gainesville, I sang with the Choir for many years, during which time Joan was a soprano. She also was a member of the Fine Art Committee at Trinity, which provided a rotating series of exhibitions for both members and outside art groups. Her efforts provided a delightful range of paintings, photos, quilts, and even some wall sculptures.

“ So sorry to hear about Joan's passing. She was a talented artist. We painted together with a small group for over 10 years. I found her a kind sweet person. I will miss seeing her in church also. My prayers to the family.
